News letter February 2011

Time is a wonderful thing

Every one desires it. Many waste it on things that don't matter, God demands it. (Seek ye first the kingdom of god and his righteousness and all these things shall be added unto thee. Matthew 6:33.

These past several months we have really took the time to look within ourselves & the ministry. We thank God for the ability to go and minister to the Children and their families. Saturday was a very special day; we really saw what a little time, could do to change a teenage boy's attitude. Jonathan, Kevin are two young men that are known to act like out-laws, Kevin's mother leaves Kevin along sometime for months, leaving Kevin to defend for himself till she decides, that is time to come back and check on her two sons. Kevin really don't care or ever focus too much on what everybody else think about him. Life has been hard for these young men. And it takes time to make a difference in the life of a Kevin, time to say we care, we are here for you, and we love you. Jesus took time from his royal life took off his royal robe put up his sleeves and came down to earth for Kevin. But Kevin didn't know until someone took time to tell him. God led a sidewalk truck to reeves terrace to tell Kevin and many others that Jesus took the time to give his life for all of us.

Do you have time? When you do wonderful things happen. like what happened for Tracy & Derrick's, which through sitting in front of the Sidewalk Sunday school truck one Saturday afternoon, hearing one of the ten commandments made the decision to not to live in sin any longer. They asked if Pedro

would performed their wedding, and Pedro did just that at our

house on 1/11/11

We need volunteers that could give 90 min of their time; at least two times a month; will you give your time? Remember your time could really transform a life.

Thank you for your prayers and your financial support to Sidewalk & New Beginnings Ministry. We truly appreciate you so much! (Praise the Lord!)

With so much love and appreciation
